

National Institute of Advanced Studies, Bengaluru

Call for Applications: Postdoctoral/Project Associates in the Conflict Resolution and Peace Research Programme

National Institute of Advanced Studies (NIAS) was conceived and founded in 1988 by the late Mr. J. R. D. Tata, who sought to create an institution to conduct advanced multidisciplinary research. Housed in a picturesque green campus in Bangalore the Institute serves as a forum to bring together individuals from diverse intellectual backgrounds, in the natural and life sciences, humanities, social sciences, and conflict and security studies. The philosophy underlying NIAS is given shape by its multidisciplinary research teams. The Institute is unique in its integrated approach to the study of intersections between science and technology, philosophy, social issues, and leadership. The objective is to nurture a broad base of scholars, managers and leaders who would respond to the complex challenges that face contemporary India and global society, with insight, sensitivity, confidence, and dedication. For more details: www.nias.res.in.

The NIAS has been recognized as an “Institute of Exceptional Repute” by the NITI Aayog in January 2019. The Institute is also recognized by several Universities. The **Conflict Resolution and Peace Research Programme** is currently implementing a research project awarded by the National Centre for Coastal Research (NCCR), Government of India, to prepare Social Impact Assessment of a development project.

The project is now looking for filling in positions (**Post-Doctoral Associate and Project Associates**) for Ten months to work in the above research project. The grade of appointment will be based on the qualifications of the suitable candidates.

Post-Doctoral Associate (PDA)

Qualification and Eligibility:

PhD degree in Social Sciences (Economics, Political Science, Sociology, and Anthropology) from a reputed Institution/University with a minimum of 55% marks or CGPA of 6.0 (10-point scale) or CGPA of 3 (5-point scale). Candidates with good understandings of social, political, and economic issues and sound knowledge on development and conflict will be given preference. The candidates are expected to engage in field survey, data maintenance, data analysis and helping the project directors in writing the report. Good writing skills would prove to be an added advantage for the candidates during the selection. The candidates should have at least **2 journal papers in the ScopusIndexed** reputed journals.

Emolument: Rs. 47000 per month + 24% HRA (as per the current norms)
