

## Project Position

IIT Gandhinagar (IITGN) invites applications for the position of Junior Research Fellow in the Experimental Complex Fluids Group in the Discipline of Physics.

**Project:** Investigating the Kinetic Stability of Pinned Colloidal Supercooled Liquids & Glasses.

**Job Title:** Junior Research Fellow

**Essential Qualification:** Master's degree in Physics, Chemistry, and Chemical Engineering. Applicants should have cleared either National Eligibility Tests - CSIR-UGC NET including lectureship (Assistant Professorship) or GATE or National level examinations conducted by Central Government Departments and their Agencies and Institutions such as DST, DBT, DAE, DOS, DRDO, MHRD, ICAR, ICMR, IIT, IISc, IISER etc.

**Preferred Skills:** Synthesis of Micrometre-sized Colloidal Particles and Microscopy.

**Duration:** 1 Year (maybe extended by one more year based on performance and availability of funds).

**Remuneration:** 31,000/- per month (Consolidated).

**Application Procedure:** Candidates must send their applications via the [Google Form](#). Position will be open until filled. However, applications received till 31.01.2022 will be considered on priority. The shortlisted candidates will be invited for an interview before a committee. The committee will make the final decision on hiring.

Please contact Chandan K. Mishra (chandan.mishra@iitgn.ac.in) for any queries.
