**Ground Floor, Chanderlok Building,**  
**36, Janpath, New Delhi - 110 001**

No. ADMN-11017/11/2018-CERC

Dated, the 1 November 2022

**“Engagement of Staff Consultants by CERC in the area of  
Economics & Power Markets”**

**1.0 Introduction:**

The Electricity Act, 2003 has significantly enlarged the spectrum of responsibility of CERC. Under the ERC Act, 1998 only the tariff fixation powers were vested in CERC. The new law of 2003 has entrusted on the CERC several other responsibilities in addition to the tariff fixation powers, for instance, the powers to grant license for inter-State transmission, inter-State trading and consequently to amend, suspend and revoke the license, the powers to regulate the licensees by setting performance standards and ensuring their compliance, etc.

1.1 Following are the statutory functions of CERC:

- (a) To regulate the tariff of generating companies owned or controlled by the Central Government; to regulate the tariff of generating companies other than those owned or controlled by the Central Government specified in clause (a), if such generating companies enter into or otherwise have a composite scheme for generation and sale of electricity in more than one State;
- (b) To regulate the inter-State transmission of electricity;
- (c) To determine tariff for inter-State transmission of electricity;
- (d) To issue transmission licenses and trading licenses with respect to inter-State operations;
- (e) To adjudicate upon disputes involving generating companies or transmission licensee in regard to matters connected with clauses (a) to (d) above and to refer any dispute for arbitration;
- (f) To levy fees for the purposes of this Act;
- (g) To specify Grid Code having regard to Grid Standards;
- (h) To specify and enforce the standards with respect to quality, continuity and reliability of service by licensees;
- (i) To fix the trading margin in the inter-State trading of electricity, if considered, necessary;
- (j) To discharge such other functions as may be assigned under this Act.

1.2 The Act has also given advisory role to CERC. It has been mandated to advise the Central Government on the matters relating to formulation of National Electricity Policy and Tariff Policy, promotion of competition, efficiency and economy in activities of the electricity industry, and promotion of investment in electricity industry.

1.3 Power sector is evolving in India and the present policy approach mainly aims at moving from cost plus tariff to competitive bidding basis tariff, appropriate regulatory framework for mobilizing investments, and developing electricity markets. However, the cost plus tariff will continue to be important as the assets covered by this regime are of large value.

1.4 Central Electricity Regulatory Commission has, therefore, felt the need for engaging one Research Officer (Power Market), one Research Associate (Eco.) and one Research Associate (Power Market) in accordance with the CERC (Appointment of Consultants) (Amendment) Regulation, 2010 as amended from time to time. The Research Officer/ Research Officers/Associates etc. proposed to be engaged by the Commission would assist and augment the work of Economics & Power Market Wing of the Commission in discharge of its multifarious functions.
