Applications are invited for a temporary position of project staff at the Center for Creative Learning, IIT Gandhinagar.

Project Title	Center for Creative Learning
Name of Post	Senior Scientist
Number of vacancies	2
Monthly Pay	Rs 70,000/- to 1,00,000/- per month depending on the candidate's competency and experience
Essential Qualifications	The candidates should have a PhD degree in engineering/mathematics/science from a premier institute. Candidates selected for the post would be responsible for research and development of mathematics content for school and under-graduate education. The candidate should have an experience in school education. The candidates who don't meet the above qualifications need not apply.
Desirables	The candidate must be comfortable in reading and developing mathematics/science literature. He/She should have a strong desire to pursue a career in school education, educational pedagogy and math/science education. Experience in documenting mathematical/scientific activities in the form of articles, research papers and manuals is also a desirable qualification for the job.
Tenure	1-year
Last date to apply	16 November 2022
Documentation	Interested candidates are requested to send by email (subject: Project Staff CCL) a single PDF file containing the resume clearly mentioning all qualifications, experience, contact details. You must also write a 1-2 page statement of purpose mentioning why you want to join CCL. A short assignment might be given. The deadline for submission of the application is 16 November 2022 at 5 PM (IST). Selection will be based on interviews and only shortlisted candidates will be intimated one week in advance. Interviews shall be conducted online.
