Com from any recognized university/institution.</p> <p>Desirable Qualification: M. Com or MBA (Finance) from any recognized university/institution.</p> <p>Essential Experience: Minimum 5 years work experience in in handling payment and accounting aspects with sound knowledge of Tally.</p> <p>Desirable experience: Preference will be given to candidates having experience in PSU/ Govt organizations with experience in GST and TDS filing.</p> <p>Upper age limit: 35 years</p>	50,000/- (Consolidated)

10	Remote Pilot (Trainers)	<p>Shall be engaged in Training to various prospective Drone pilots (trainees) to convert those certified Remote Pilots as per standard protocol of DGCA. Shall be involved in promotion and advertisement in enrolment for Remote Pilot Training for NECTAR RPTO. Shall involve in all operational activity including Remote Pilot Documentation of the NECTAR RPTO.</p> <p>Location: Guwahati with frequent field visit to the Project Site anywhere in India.</p>	2	<p>Essential Qualification: Graduate or Undergraduates in any discipline, having DGCA certification as Remote Pilot Trainers. Should have Experience of providing training or converting at least 10 number of Remote Pilots in any of the RPTO.</p> <p>Upper Age Limit: 45 years</p>	40,000/- (Consolidated)
11	Senior Research Fellow (Project)	<p>The Senior Research Fellow will be responsible for assisting the Research Associate in implementation of the project.</p> <p>The person shall be responsible for planning and overseeing the project from the initial ideation through to completion. The person shall coordinate with stakeholders, people, and processes to deliver project on time with the desired outcomes aligned to objectives.</p> <p>Location: Guwahati with frequent visits to the Project Site as per requirement.</p>	6	<p>Essential Qualification: B. Sc. in agriculture / Horticulture / Botany / Biotechnology / Life Science/Forestry or equivalent from a recognized University.</p> <p>Desirable Qualification: Master's degree in agriculture/Horticulture/Botany/Biotechnology/Life Science/Forestry or relevant field.</p> <p>Essential Experience: Minimum 3 years of experience in technology application / project implementation in the area of Agriculture / Horticulture / Botany / Biotechnology / Life Science/Forestry in Northeast India.</p> <p>Upper Age Limit: 35 Years</p>	35,000/- (Consolidated)
12	Agri Marketing Expert	<p>Responsible for implementation of the project on formation and promotion of 10000 FPOs with NECTAR as an empaneled CBBO, exploring marketing opportunities for the agri-horti products/commodities, preparation of business and financial plans, overseeing the project from the initial</p>	1	<p>Essential Qualification: MBA in Agribusiness Management or equivalent from a recognized University/Institute</p> <p>Essential Experience: 3+ years of relevant experience in Agribusiness/ Agri. Marketing/ Value Chain</p>	35,000/- (Consolidated)

		implementation through to completion along with the crop husbandry experts and social mobilizers. The person shall coordinate with local bodies/ govt dept, stakeholders, people etc to deliver projects on time, within budget and with the desired outcomes aligned to objectives.		Development including Post Harvest Management and working with FPOs/Large Farmers groups etc. Desirable Experience: Working experience in projects being implemented in Arunachal Pradesh particularly in the field of agriculture/horticulture	
		Job Location: Arunachal Pradesh / Project Location		Upper Age Limit: 35 years	
13	Project Associate (Forest Survey)	Support and assistant to the Project Officer in field level implementation of the Project "Forest Survey and Mapping using UAV to analyze carbon financing and phyto diversity heat map in Meghalaya" Associate will be responsible for supporting role in the assigned field level supervision and implementation task relevant to the project. Location: Shillong with frequent field visit to the Project Site anywhere in India.	1	Essential Qualification: Bachelor's Degree in Forestry/Environmental Management/ Geo-informatics/ Bio-informatics/Biotechnology and allied or equivalent from a recognized University. Essential Experience: Minimum 1 years of experience in handling of various lidar, hyperspectral and satellite data with hands-on experience in relevant Software, Hardware and survey equipment for forest applications Preference will be given for more experienced candidate. Upper Age Limit: 40 Years	35,000/- (Consolidated)
14	Project Associate (Bee Keeping)	Support and Assist in implementation of NECTAR Honey Bee Mission Project by providing necessary expert advice to beekeepers/farmers engaged in Bee Hive Clusters. Necessary project monitoring for sustainable scientific bee keeping in the clusters. Arrange and manage training and awareness programs in various places of North East. Should assist in report writing and promotion activity of scientific bee keeping with market linkage. Location: Shillong with frequent field visit to the Project Site all over North East India	1	Essential Qualification: Bachelor's Degree in Agriculture/Horticulture/Sericulture/Apiculture Management/ Rural Development and allied or equivalent from a recognized University. Essential Experience: Minimum 1 years of experience of involvement in Scientific Bee Keeping or Certificate course on Beekeeping/Apiculture or allied certification from any authorized institute. Or Candidates with qualification of under matriculation or better with good communication skill in English /Hindi/NER based Local Language to deal with farmers and beekeepers and should have adequate practical	35,000/- (Consolidated)

				<p>experience on Scientific Beekeeping and should have Membership from National Bee Board can apply. Preference will be given for more experienced Candidates.</p> <p>Upper Age Limit: 40 Years.</p>	
15	Project Associate (GIS&RS)	<p>Shall be engaged in the Agriculture Remote Sensing related activities. Manage all the classification and related activities of the Agriculture Remote Sensing and GIS. Shall be responsible for the quality of the output and report generation.</p> <p>Location: Guwahati with frequent field visit to the Project Site anywhere in India.</p>	1	<p>Essential Qualification: Master's degree in Remote Sensing and GIS/Geoinformatics/Geography/Geology or allied subjects/discipline. OR Bachelors in engineering with certificate course/diploma in Remote Sensing and GIS/Geoinformatics or allied subjects/discipline.</p> <p>Essential Experience: Minimum 2 years of experience in using Image Processing software such as Erdas Imagine, ENVI, ArcGIS, QGIS or any other Remote Sensing and GIS software.</p> <p>Upper Age Limit: 40 years</p>	35,000/- (Consolidated)
16	Technical Officer	<p>The Technical Officer will be responsible for providing technical guidance to farmers on growing, monitoring, and pest management of selected crops for targeted output achievement as per the project objectives for organic agriculture, issue advisories from time to time, coordination and monitoring with Technical Assistants at the field and any other works assigned from time to time. The person shall coordinate with stakeholders, people, and processes to deliver project on time with the desired outcomes aligned to objectives.</p> <p>Location: Guwahati with frequent visits to the Project Site as per requirement.</p>	1	<p>Essential qualification: Master's degree in agriculture/horticulture or equivalent from any Govt. recognized university/institution</p> <p>Essential Experience: Minimum 3 years of experience in technology application in Agriculture/ Organic Agriculture in Northeast India.</p> <p>Desirable Experience: Candidates with experience in capacity building, group mobilization and formation in agriculture or rural farming, project formulation, monitoring, evaluation, and implementation in the field of Agriculture/ Organic Agriculture or related fields will be preferred.</p> <p>Upper age limit: 35 years</p>	30,000/- (Consolidated)

17	Technical Assistant	<p>The Technical Assistant will be responsible for providing technical guidance to farmers on growing, monitoring, and pest management of selected crops for targeted output achievement as per the project objectives for organic agriculture, issue advisories from time to time in coordination with the Technical Officer and other key stakeholders, any other works assigned from time to time. The person shall coordinate with stakeholders, people, and processes, responsible for delivering qualitative & quantitative outputs and results in time, as per the need of the project objectives to deliver project on time with the desired outcomes</p> <p>Location: Guwahati / Shillong with frequent visits to the Project Site as per requirement.</p>	12	<p>Essential qualification: Bachelors' degree in agriculture/ horticulture or equivalent from any Govt. recognized university/institution.</p> <p>Essential Experience: Minimum 2 year of experience in technology application in Agriculture/ Organic Agriculture in Northeast India.</p> <p>Desirable experience: Candidates with experience in project formulation, monitoring, evaluation, and implementation in the field of Agriculture/ Organic Agriculture or related fields will be preferred.</p> <p>Upper age limit: 30 years</p>	25,000/- (Consolidated)
18	Technical Assistant (Fodder Seed Programme)	<p>The Technical Assistant will be responsible for providing technical guidance to farmers on growing, monitoring selected fodder crops for targeted output achievement as per the project objectives, and providing any valuable inputs as required from time to time. The person shall coordinate with farmers/beneficiaries/ different technical agencies/institutions/other stakeholders involved in the project and any other works assigned from time to time.</p> <p>Location: Imphal, Manipur</p>	1	<p>Essential Qualification: Bachelor's degree in Agriculture/ Dairying/ fodder and feed Management /Agronomy /plant breeding and genetics/seed technology or agri-botany or equivalent from any recognized university/institution.</p> <p>Desirable Experience: Minimum 2 years of experience in Management of Fodder crops / Dairying/ seed production/ seed marketing or seed certification and having professional experience in handling government projects will be preferred.</p> <p>Upper age limit: 35 Years</p>	25,000/- (Consolidated)
19	MIS Assistants	<p>MIS Assistants need to have working experience in RDBMS.</p> <p>Preference will be given to experience in development of app, web portal, implementing web based applications, development of dashboard applications with data analytics tools, Good</p>	5	<p>Essential qualification: BCA / B.Sc (IT) or equivalent from any Govt. recognized university/institution.</p> <p>Essential Experience: Minimum 2 years work experience in a relevant field.</p>	25,000/- (Consolidated)

		graps of Programming and data analytic tools such as C++, Java, Python, R, Hadoop etc. Location: Guwahati.		Desirable experience: Candidates with experience in project formulation, monitoring, evaluation, and implementation in the field of Agriculture/ Organic Agriculture or related fields will be preferred. Upper age limit: 30 years	
20	Finance & Admin Assistant	Finance Assistant will assist the finance manager in execution of the project, all payments, budgeting, filing and preparing monthly account statements and any other works assigned from time to time. Location: 2 in Guwahati and 1 in Delhi/Shillong	3	Essential qualification: B.Com from any Govt. recognized university/institution Essential Experience: Minimum 2-year work experience in in handling payment and accounting aspects with knowledge of Tally. Desirable experience: Preference will be given to candidates having experience in PSU/ Govt organizations. Upper age limit: 30 years	25,000/- (Consolidated)
21	Crop Husbandry Expert	Responsible for implementation of the project on formation and promotion of 10000 FPOs with NECTAR as an empaneled CBBO, carrying out baseline study and survey in certain districts of Arunachal Pradesh or any other locations as required from time to time, providing handholding support to the farmers/ community with regards to technical inputs on agriculture/ horticulture production, coordination with the agri marketing expert and social mobilizers, NECTAR, local bodies/ govt dept etc as and when required from time to time, or any other works assigned by Competent Authority Job Location: Arunachal Pradesh / Project Location	2	Essential Qualification: Graduate in Agriculture (Extension/ Agronomy/ Fruit science/ Vegetable science/ plant breeding) from a recognized University Essential Experience: 5+ years of relevant experience in crop production techniques, technology intervention and working with FPOs/Large Farmers' Groups etc. Desirable Experience: Working experience in projects being implemented in Arunachal Pradesh particularly in the field of agriculture/horticulture Upper Age Limit: 35 years	25,000/- (Consolidated)

22	Project Assistant (GIS&RS)	<p>Shall be engaged in the Drone Data processing and drone data acquisition. Will be responsible for the report generation and checking the accuracy of the data generated.</p> <p>Location: Guwahati with frequent field visit to the Project Site anywhere in India.</p>	2	<p>Essential Qualification: Master's degree in Remote Sensing and GIS/Geoinformatics/Geography/Geology or allied subjects/discipline.</p> <p>OR</p> <p>Bachelors in engineering with certificate course/diploma in Remote Sensing and GIS/Geoinformatics or allied subjects/discipline.</p> <p>Essential Experience: Experience in Drone data processing using Pix4D/Agisoft or any other image processing software.</p> <p>Upper Age Limit: 40 years</p>	25,000/- (Consolidated)
23	Project Fellow	<p>Shall be engaged in various Remote Sensing and GIS related in house and external project of NECTAR.</p> <p>Location: Guwahati with frequent field visit to the Project Site anywhere in India.</p>	5	<p>Essential Qualification: Master's degree in Remote Sensing and GIS/Geoinformatics/Geography/Geology or allied subjects/discipline.</p> <p>OR</p> <p>Bachelors in engineering with certificate course/diploma in Remote Sensing and GIS/Geoinformatics or allied subjects/discipline.</p> <p>Upper Age Limit: 35 years</p>	25,000/- (Consolidated)
24	GIS Lab Assistant	<p>GIS Lab system and Equipment Maintenance and general servicing record keeping.</p> <p>GIS lab Assistance will be responsible for repair & maintenance of Computer Hardware, Survey Eqpt. And service level maintenance of Software installed in GIS labs. The Person shall be responsible for record keeping of inventories of all hardware / software and Eqpt in the Labs. The Person shall be responsible for delivering qualitative & quantitative outputs and results in time, as per the need of the project objectives. The Person shall be willing to work in field condition also as per the demand of the Project.</p> <p>Location: Guwahati</p>	1	<p>Essential Qualification: Diploma/ITI in Electrical/Electronics/Computer/Instrumentation/Fitter Mechanical or equivalent</p> <p>Or</p> <p>Bachelor's Degree in any discipline with Certificate course on skills related to Electrical/Electronics /Computer/Instrumentation/Fitter Mechanical or equivalent from a recognized College/Institute /University.</p> <p>Essential Experience: Minimum 1 years of experience in working with computer lab or workshop dealing with relevant activities/instruments.</p> <p>Upper Age Limit: 35 Years</p>	25,000/- (Consolidated)

25	Social Mobilization	Responsible for implementation of the project on formation and promotion of 10000 FPOs with NECTAR as an empaneled CBBO, carrying out baseline study and survey in certain districts of Arunachal Pradesh or any other locations as required from time to time, mobilization of farmers, organizing awareness, meetings at the village/block/ district level, coordination with the farmers/ rural community/ local bodies/ govt dept etc as and when required from time to time, or any other works assigned by Competent Authority Job Location: Arunachal Pradesh / Project Location	3	Essential Qualification: Graduate in Rural Development/Social Work or Graduate with Diploma in Rural Development/Social Work from a recognized University/Institute Essential Experience: 5+ years relevant experience in mobilization of farmers, field demonstrations, organizing village level meetings etc. Desirable Experience: Experience on mobilization of farmers or involved directly in the field of agriculture. Working experience in projects being implemented in Arunachal Pradesh. Upper Age Limit: 30 years	22000/-
26	Lab Technician	Lab technician will be responsible for analyzing samples collected from field and entry/record keeping activities. The candidate shall be responsible for delivering qualitative & quantitative outputs and results in time, as per the need of the project objectives. Location: Guwahati	2	Essential Qualification: Diploma / Bachelor's degree in Science from a recognized University. Desired Qualification: Bachelor's degree in Agriculture / Horticulture / Botany / Biotechnology / Life Science / Forestry or relevant field. Essential Experience: Minimum 1 years of experience of working in scientific labs. Upper Age Limit: 30 Years	20,000/- (Consolidated)
27	Field Supervisor	The Field Supervisor will be responsible for assigned Field Survey and data entry/record keeping activities. The candidate shall be responsible for delivering qualitative & quantitative outputs and results in time, as per the need of the project objectives. Location: Guwahati with frequent visits to the Project Site as per requirement.	12	Essential Qualification: B. Sc. in agriculture / Horticulture / Botany / Biotechnology / Life Science/Forestry or equivalent from a recognized University. Desirable Qualification: Master's degree in agriculture/Horticulture/Botany/Biotechnology/Life Science/Forestry or relevant field.	18,000/- (Consolidated)

				<p>Essential Experience: Minimum 1 year of experience in field survey activities / technology application / project implementation in the area of Agriculture / Horticulture / Botany / Biotechnology / Life Science/ Forestry in Northeast India.</p> <p>Upper Age Limit: 30 Years</p>	
28	Multi-Tasking Staff (MTS)	<p>General cleanliness & upkeep of the Section/Unit, carrying of files & other papers within the building, Photocopying, sending of FAX, assisting in routine office work like diary, dispatch etc.</p> <p>Location: 1 post in Shillong & 3 in post Guwahati</p>	4	<p>Desirable Experience: Experience in working as an MTS will be preferred.</p> <p>Upper Age Limit: 35 Years</p>	<p>14,000/- (Consolidated)</p>
29	Driver	<p>Driving of Office Car as per requirement</p> <p>Location: Guwahati with frequent visits to the Project Site as per requirement.</p>	2	<p>Essential Experience: Minimum 2 years' experience working as Driver with valid professional Driving License</p> <p>Upper Age Limit: 35 Years</p>	<p>25,000/- (Consolidated)</p>

Terms & Conditions:

1. Last date of submission of application is 23-04-2023.
2. NECTAR will not be responsible for non-receipt of their applications or any delay due to technical issue.
3. Only Indian nationals are eligible to apply.
4. The crucial date for determining the eligibility in term of age, qualification and experience will be 1st January 2023.
5. The selection will be based on academic qualification, experience, and performance in personal interview. Eligible candidates will have to appear for Skill Test / Personal Interview.
6. Candidates working in Government Organization / PSU / Autonomous Bodies must route their application through proper channel.
7. Applicants are required to attach all Copies of self-attested certificates in support of educational qualifications, date of birth, experience, and any other relevant information, if any should be attached with the application. Applications without the supporting documents will be summarily rejected.
8. Candidates will have to produce the original certificates at the time of interview / joining for verification.
9. Although age and experience against each post is prescribed, Director General, NECTAR may relax age and experience in case of the candidate otherwise found suitable.
10. In case of false or insufficient information / lack of proof to ascertain the eligibility of the applicant, their candidature may be summarily rejected at any stage of the selection process.
11. The prescribed essential qualifications are minimum and the mere possession of the same does not entitle candidates to be called for interview. No further communication in this regard will be entertained.
12. Call letters and intimations relating to this recruitment will be sent to the shortlisted candidates by email only. Applicants should ensure that the email ID given in the online application is maintained active. Candidates may require relevant skill test and interview via Offline / Online platform and date and time as decided by NECTAR.
13. The engagement of the above job positions will be purely on temporary basis initially for a period of six months. The contract may further be extended as per requirement and based on the performance of the candidate with suitable remuneration.
14. The monthly remuneration payable for contractual positions shall be determined based on the applicant's expertise, experience, and professional standing.
15. NECTAR reserves the right to cancel /withdraw /postpone this recruitment notice at any point of time.
16. The number of posts is indicative and NECTAR reserves the right to engage less number of candidates against the number of posts advertised.
17. The engagement will be not conferring any claim for regular appointment in NECTAR.

Suman Phukan
Sr. Administrative Officer
NECTAR
