DEPARTMENT OF PHYSICS

Advertisement for of CRS Project Fellow (Junior –I)

Applications are invited for the following temporary position of CRS Project Fellow (Junior –I) in a UGC-DAE CRS collaborative project entitled “**Fabrication of microscopic porous 3D turbostratic graphene film by Joule-heating method and study of electronic/ionic transport properties for compact capacitive energy storage**” at the Department of Physics, Periyar University, Salem – 636011, Tamil Nadu.

Project Title	: Fabrication of microscopic porous 3D turbostratic graphene film by Joule-heating method and study of electronic/ionic transport properties for compact capacitive energy storage
Name of the post	: CRS Project Fellow (Junior-I)
Project duration	: One year, but it may be extended on a yearly basis subject to a total period of three years
Qualification	: M.Sc. Physics (not earlier than 3 years) with a minimum of 55% marks or equivalent grade
Fellowship	: Rs. 14,000 /- pm + HRA as per University norms

Interested eligible candidates should send application in the attached format along with self-attested copies of mark sheets, relevant certificates, and experience certificates (if any) to Dr.R.Ramesh (Principal Investigator and Assistant Professor) via email (rameshphys@periyaruniversity.ac.in) on or before 30th June 2023.

Terms and Conditions:

1. This position is purely temporary and the fellowship is co-terminus with the project.
2. The Project Fellow must register for the Ph.D. program within a reasonable period.
3. This is a “Collaborative Research Scheme Project” and thus, the appointed project fellow is expected to spend a substantial amount of time at UGC-DAE CSR Kalpakkam for carrying out the research work.
4. The interview date for shortlisted candidates will be informed through email/phone.
5. No TA/DA will be paid for attending the interview.
6. Selection will be made on the basis of interview and academic background.

Dr. R. Ramesh
Principal Investigator
