Advertisement for JRF in SERB sponsored Project

Applications are invited from Indian nationals to work as a **Junior Research Fellow (JRF)** in a research project funded by Science and Engineering Research Board (SERB), Department of Science and Technology (DST), Government of India.

Project title: Next generation of high power ultrafast fiber lasers based on controlled space-time dynamics in amplifying nonlinear multimode fiber.

Brief description of the project: The project involves the experimental and theoretical study of mode locking of lasers based on multimode gain fiber by controlling spatio-temporal complex dynamics, and then to demonstrate the generation of ultrashort light pulses with high average power and high peak power. The JRF will perform the numerical simulations, and will design and build the experimental setup to perform the investigations.

Qualifications: M.Sc. in Physics or equivalent or M. Tech. in Photonics related areas with minimum 60% marks (or 6.5 CGPA) along with good academic credentials, and strong motivation for the research in the subject area. The candidate should have a valid CSIR-UGC (NET or JRF) or a valid GATE score.

Duration: Two years or till the completion of the project, whichever is earlier.

Emoluments: Rs 31,000/- + HRA per month (1 year), and Rs 35,000/- + HRA per month (2nd year). Suitable accommodation on the campus may be provided based on availability.

How to Apply?

The applicant must send the following documents in a single PDF file to vishwa.pal@iitrpr.ac.in (Dr. Vishwa Pal) **on or before 5 October 2023** with the subject of the email as “Application for JRF position”.

- Filled application form in the attached format.
- A one-page cover letter describing the background and how it will help to pursue the project.
- Resume with complete qualifications, CGPA or % marks and experience details.
- Soft copy of all degree certificates (high school onwards) along with a proof indicating date of birth.
- Proof of GATE/NET qualification.

The shortlisted candidates will be called for online/personal interview.

General Terms and conditions:

1. Only shortlisted candidates will be contacted/informed through email.
2. The position is temporary which will be renewed every year subject to the satisfactory performance.
3. Candidate selected for this position may be considered for the regular PhD program provided he/she qualifies the eligibility criterion for PhD program at IIT Ropar.
4. If it is found at later date that any information given in the application is incorrect/false the candidature/appointment is liable to be cancelled/terminated.

For any further information, please contact the principal investigator:

Dr. Vishwa Pal, Assistant Professor, Department of Physics,
Indian Institute of Technology Ropar, Nangal Road, Rupnagar Punjab 140001.

DECLARATION

I hereby declare that I have carefully read the instructions and particulars supplied to me and that the entries made in this application form are correct to the best of my knowledge and belief. If selected for admission, I promise to abide by the rules and discipline of the Institute. I note that the decision of the Institute is final in regard to selection for admission and assignment to a particular Department and field of

study. The Institute shall have the right to expel me from the Institute at any time after my admission, provided it is satisfied that I was admitted on false particulars furnished by me or my antecedents prove that my continuance in the Institute is not desirable. I agree that I shall abide by the decision of the Institute, which shall be final.
