Faculty Positions Available

IMSc invites applications for regular faculty positions as Fellow, Reader, Professor in the main research groups at IMSc, namely, Theoretical Physics, Mathematics, Theoretical Computer Science and Computational Biology.

About the Institute

The Institute of Mathematical Sciences (IMSc), funded by the Department of Atomic Energy (DAE), Government of India, is a national Institution for fundamental research in the theoretical sciences. Research at the institute is internationally recognized. The institute runs a selective PhD program, supports several scientists at the post-doctoral level, and runs an active visiting scientist programme, hosting scientists from all over the world. The Institute admits students after their M.Sc./M.Tech degree (or) B.Sc/B.Tech Degree for pursuing and obtaining doctoral degrees under Ph.D/Integrated Ph.D. programmes of 5 years and 7 years respectively in the disciplines of Theoretical Physics, Mathematics, Theoretical Computer Sciences and Computational Biology. This Institute is one of the aided academic institutes under the Department of Atomic Energy, Government of India which is funded by the Department of Atomic Energy and partially funded by the Government of Tamil Nadu.

IMSc faculty members conduct research, advise graduate students, teach in our graduate programs, participate in outreach activities and have other professional responsibilities. IMSc follows the rules and regulations as applicable to Central Government employees including, for example, leave and other policies. The Institute also has a sabbatical policy, encourages travel for scientific purposes and is assisted by a supportive administration.
